B.Ed. 531: Practice Teaching and School Internship

The paper B.Ed-531 Possess 12 credits and 300 marks with 225 external marks and 75 Internal marks This paper is divided into three sections as given below:

PAPER B.Ed-531 Section-A: Pre Internship and Practice teaching (4 weeks)

1. Micro-teaching practice (with record) - 10 days
2. Macro-teaching Practice in school (with record) - 20 days

Note: Each trainee needs to deliver 20 lesson plans in each opted pedagogy subject (from pedagogy of school subjects). Therefore, each trainee needs to deliver 40 lesson plans during the period of practice teaching. Pre-internship and practice teaching can be carried out during July –August of the session.

Scheme of Evaluation:

Practice teaching will be evaluated for 75 marks. There are 25 marks for internal assessment based on preparation of lesson plans and teaching aids which will be evaluated by concerned teachers. The board of examiners shall observe one teaching lesson delivered by the student teacher in any one of the two pedagogy papers. After delivery of the lesson plan, the viva voce exam will be conducted by the same examiner.

1. Internal Assessment
 - (a) Micro lessons (5) (Prepare and deliver 5 micro lessons $5 \times 4 = 20$ marks
 - (b) Improvised teaching aids (minimum 2 teaching aids)- $2 \times 2.5 = 5$ marks25 marks
2. Observation of lesson plans during practice teaching by external examiner s
 - (a) Preparation of lesson plan = 20 marks
 - (b) Using teaching aids = 10 marks
 - (c) Presentation of lesson in the class room = 20 marks50 marks
3. Viva voce during final practice teaching by external examiner= 25 marks

Board of Examiners

The board of examiners will consists of two external examiners at least one from Department of Education, RGU appointed by Controller of Examination and two internal examiners from Department/TEIs.

Teaching practice: Each B.Ed. Trainee needs to deliver 20 lesson plans in each opted Pedagogy subjects. Therefore, in total 40 lesson plans need to be delivered during the period of Teaching Practice.

Note:

1. Activities/Skills to be practiced during Micro Teaching
 1. Explanation skills
 2. Illustration skills
 3. Question skills
 4. Reinforcement skills
 5. Stimulus variety skills
 6. Black board usage skills

Every student teacher has to practice each skill mentioned above.

2. Maintenance of micro and macro lesson plan records during final teaching practice.
